**Objective:**

Looking for where I can utilize my skills in JavaScript, ReactJS, and NodeJS. My goal is to contribute to the development and enhancement, while expanding my knowledge and growing as a developer in a setting that values continuous learning and collaboration.

**Highlights of Qualifications:**

- Strong foundation in software development gained through hands-on projects and coursework.
- Great team collaborator known for clear communication and ability to work in fast paced settings.

**Technical Skills:**

- Programming Languages: JavaScript, HTML5
- Web Development: ReactJS, NodeJS, CSS3
- Database Management: MongoDB, SQL (basics of OracleDB)
- Development Tools: Git, GitHub

**Education:**

**Computer Programming, Diploma**  
**Sheridan College, Toronto, ON**

**September 2020 - April 2023**

- Developed a full stack web application for event management using ReactJS and NodeJS, which streamlined the event planning process and improved user engagement.
- Contributed to a team project that created a responsive website for a local non profit, improving the quality of their digital presence and outreach capabilities.

**High School Diploma:**

**Mayfield Secondary School, Caledon, ON**

**Sept 2016 - June 2020**

**Professional Experience:**

**Junior Web Developer Internship**

**May 2022 - August 2022**

**Soft Tech Solutions Inc, Toronto, ON**

- Developed and Maintained web applications using JavaScript and frameworks such as ReactJS and NodeJS
- Participated in code reviews and collaborated with senior developers, gaining insights into best practices and advanced coding techniques.

**Volunteer Experience:**

**Computer Literacy Instructor**

**January 2021 - December 2021**

**Caledon Tech Services, Caledon, ON**

- Led workshops on basic computer skills for community members, improving digital literacy in the local community.
- Developed and maintained course materials, including tutorials and hands on work.

**Interests:**

- Coding challenges and hackathons
- Open source contributions
- Continuous learning through online courses and meetups
